

DANCER/CREATOR APPLICATION

Pulse Dance Company is now accepting applications for Freshly Squeezed, a virtual mini-commission program designed to support and provide a creative launchpad for emerging and mature contemporary dance makers. Freshly Squeezed promotes the continued development of forward thinking dance in Alaska and beyond - applications are accepted from anywhere!

Freshly Squeezed (FS) is open to all movers of all styles ages 18+. FS will provide time for reflection and collaboration with a clear deadline, rehearsal space if needed, and a \$50 stipend.

FS encourages creatives across genres to embrace current challenges while pivoting to an online platform. Selected artists will create inventive dance films between 30 seconds to three minutes in length and hone skills in choreography, filming, editing, and collaboration. Final films will be released monthly via Pulse Dance Company's online platforms and mailing list throughout the 2020-2021 season.

The application period closes September 28, after which selected artist(s) will be announced and their video submittal deadline will be set.

To apply, please submit the following information to PulseDanceCompany@gmail.com before 5pm on Monday, September 28:

- Name and age
- Dance resume
- 1-3 YouTube links to videos of past choreographic works (if available).
- A brief summary of why you would like to be selected for a Freshly Squeezed mini-commission, including how you think being selected would contribute to your growth as an artist.
- The ideas you're interested in exploring for your video work, how many dancers or other artists you intend to collaborate with, and any other pertinent information regarding your artistic vision.
- Whether or not would like/will be needing physical rehearsal space, provided free of charge at Studio Pulse Center for Dance.
